INTERGRATED SERVICE SOLUTIONS PRIZES

CHAIRMAN'S MESSAGE

The South African Rhodesian Ridgeback Club is back, with might and main!

This is the first Championship for some time, for reasons rather left unsaid. Let's have the club move ahead with renewed energy and enthusiasm, for the sake of the breed and the club's members.

Organising and conducting a Championship show takes effort. I thank the following show officials:

Elisabeth Beccaro - Show Secretary

Giselle Brits - Show Treasurer

I thank our judge Gérard Robinson for officiating today.

Lastly, by no less important, I thank the exhibitors who have brought their dogs to be judged.

And for those whose dogs inevitably won't be awarded, the inspirational words of the famous Sir Winston Churchill are apt: "Success is not final; failure is not fatal: it is the courage to continue that counts."

I hope everyone has an enjoyable experience today. It's by and large up to yourselves!

Johan Warffemius

Chairman: South African Rhodesian Ridgeback Club

ABOUT THE JUDGE

GÉRARD ROBINSON

BREED JUDGING QUALIFICATIONS:

ALL HOUND, TOY, TERRIER, WORKING, HERDING, GUNDOG & UTILITY BREEDS + BEST IN SHOW. FCI – ALL TEN GROUPS.

Gérard Robinson acquired his first Long-haired Dachshund almost forty years ago and started exhibiting shortly thereafter. He qualified as an All-breeds Judge in 2006 and judged in the UK, USA, Australia, New Zealand and Colombia, when his demanding job allowed it. Over the years, he awarded CCs in four varieties of Dachshund in the UK and judged Wire-haired and Best in Show at the Dachshund Club of America “Nationals” in Mesa, Arizona and in 2000.

Gérard served as the Secretary of The South African Dachshund Club for eight years, during which time he also edited the Club’s journal, *DachsYap!* He has written numerous articles on the Dachshund, some of which had been translated and reproduced in the journals of clubs in other countries.

Over the years, Gérard has sought to improve the Long-haired gene pool in South Africa and imported dogs from the UK, USA and Malaysia. He’s had remarkable success with his *Nibelheim* Longs in the showring and his American import, *Ch (USA) Siddachs Maestro to Nibelheim*, ‘reigned’ as South Africa’s top show dog (all rating systems), in 1996 and 1997.

In 2011, Gérard was elected to the Federal Council of the Kennel Union of Southern Africa (KUSA) and, in 2014, took over as Chairman of the District of Gauteng & Surrounds Provincial Council, the largest Provincial Council under the jurisdiction of KUSA. He is an active member of Federal Council with responsibility for KUSA’s external communications, drafting of constitutional amendments and overseeing of budgets and finance. Although retired as Managing Director of a company that specialised in the field of copyright law and intellectual property rights administration, his opinions as a copyright specialist are still frequently independently sought.

Gérard enjoys cooking, writing and watching engaging series on TV. He lives in Johannesburg.
