“SHARPENING OUR SKILLS” WORKSHOP

This interactive Workshop has been successfully presented in Cape Town, Port Elizabeth and Durban and, following each interaction with judges, the format and content has been developed and improved. In a team effort, we are working to find new ways of enhancing our service in the dog community as Judges. This Workshop is pitched at prospective, Learner, Licensed, Senior and All-Breeds Judges and aims at challenging each individual to explore their own level of innovation and building of skills, regardless of current experience. One can always learn something new!
