- Winner: **R2 500.00** to the owner(s) of the winning dog
1st Runner-Up: **R1 500.00** to the owner(s) of the second placed dog
2nd Runner-Up: **R1 000.00** to the owner(s) of the third placed dog

The 40 highest placed pedigree dogs in the KUSA Showdog of the Year ratings as published on 19 June 2022 are eligible to enter (<https://www.kusa.co.za/images/Gallery/Showdog%20table%2017%20June%202022.pdf>).

If one or more fail to enter, eligibility will be extended to the next in line dogs in strict order of their ranking, ensuring that a full complement of 40 dogs will be competing on the day.

Dogs will compete in two randomly drawn groups of 20 dogs each and will be judged by one judge only. From the initial 40 dogs (Round 1), 20 dogs will go forward to Round 2. From Round 2, 10 dogs will forward to the third and final Round where 3 dogs will be placed.

RULES FOR THE PETEXPO MONTEGO TOP 40 PREMIUM INVITATIONAL

1. The contest will be limited to 40 participants
2. Entries will be invited from the 40 highest ranked pedigree dogs in the KUSA Showdog of the Year ratings as at 20 June 2022.
3. Based on the number of entries received, further entries will be invited from the dog(s) next in line in strict order of their ranking, until such time as a full complement of 40 entries is recorded.
4. A further number of dogs, again those next in line in strict order of their ranking, will be invited to attend the event and stand by as reserves to replace any absentees on the day.
5. The number of reserves invited will be at the sole discretion of the organisers.
6. ALL EXHIBITS MUST REPORT TO THE MARSHALLING RING BEFORE THE SCHEDULED START OF JUDGING AND MAY NOT LEAVE THE AREA UNTIL JUDGING IS COMPLETED IN THE VARIOUS ROUNDS. THIS RULE WILL NOT BE WAIVED UNDER ANY CIRCUMSTANCES.
7. ANY EXHIBITS NOT PRESENT AT THAT TIME WILL BE MARKED ABSENT and the stand-by reserves (the next in line in strict order of their ranking) will immediately be invited to fill the vacancy and compete in the contest.
8. The contest will be judged by one judge in three rounds of competition, with the first round consisting of 40 dogs competing against each other. The 20 shortlisted dogs of that round move forward to the second round where they again compete against each other and the 10 shortlisted dogs move forward to the third and final round. The final round will determine the winner of the contest and the first and second runner-ups.
9. A random draw will determine which dogs compete against each other in the first round. 10 dogs will be shortlisted from each group.
